

Here is the Homepage where i will have a large background image with navigation bar at the top footer with social links at bottom and a welcome message of somekind.

This will be the about page  
this will have a section for the about part of the band  
and will include a short info paragraph about the band an members.

This is the gallery page  
which I intend to have pictures of the band

if i can i would like to implement videos and music on this page but dont know how to yet.

This is the sign up Page

Where i will have a form to fill out for the user to sign up to recieve all the info on Muse.
